Minneapolis, Minnesota 55415

Ref: W. R. Grace & Co.  
Construction Products Division  
1720 Madison, N.E.  
Minneapolis, Minnesota 55413

Dear Mr. Lines:

The Construction Products Division, W. R. Grace & Co. (Grace) has completed engineering design and specifications for building modifications and pollution control devices at reference facility. Grace has engaged Johnston-Sahlman Co., Inc., Consulting Engineers in Minneapolis as its engineer on this project.

If it is convenient, I would like to meet with you Tuesday, May 16, 1972 to submit plans and specifications and obtain the necessary permits to construct and install these control devices. In accordance with Chapter 3, paragraph 5 of the Minnesota Pollution Control Agency Regulations, a copy of these plans and specifications will be submitted to the Minnesota Pollution Control Agency.

In a phone conversation May 4, 1972 with your Mr. Lowell Johnson, I stated that I would like to meet with you around 1:00 P.M. on May 16. This would allow Mr. Milan Johnston and myself sufficient time to submit plans and specifications to the building inspector. If this date and time is not convenient for you, please advise.

Very truly yours,

A handwritten signature in cursive script, appearing to read "Frederick W. Eaton".

Frederick W. Eaton  
Project Engineer  
Pollution Control

cc: Johnston-Sahlman Co., Inc.  
Minneapolis
